

COMMUNITY

Dilworth Paxson has always given back to our communities. This tradition of civic and public service began many decades ago by our named partner, the late Richardson Dilworth, former Mayor of the City of Philadelphia. Our attorneys and staff are proud to support the organizations and programs that continue to make our communities strong and vibrant.

Some of the organizations the firm works with include:

- American Heart Association
- Community Legal Foundation
- Fraternal Order of Police Survivors Fund
- Homeless Advocacy Project
- March of Dimes
- MANNA
- National Constitution Center
- Please Touch Museum
- Philadelphia Orchestra
- Police Athletic League
- Urban League of Philadelphia
