Dilworth Paxson's attorneys advise clients on all types of legal issues involving the construction industry, including contract drafting, procurement procedures and bid disputes, contract negotiations, project closeout, dispute resolution proceedings (including mediation, arbitration and litigation) labor disputes, employment policies and disputes, and pension liability. Our lawyers represent owners, developers, contractors, lenders, and design professionals engaged in public and private, commercial, institutional, and residential projects. These representations include a broad range of construction areas, including school and municipal construction, large-scale infrastructure/public works projects, transportation projects, commercial and industrial construction, housing developments, condominium projects and individual residential construction.

Client Successes

- D'Anastasio Corp. v. Township of Pennsauken
