DILWORTH ADDS INTELLECTUAL PROPERTY ATTORNEY TED OYPHANITH

9/03/2019

September 3, 2019 (Philadelphia, PA) – Dilworth Paxson LLP announced today the addition of associate [Ted Oyphanith](#) to the firm's Intellectual Property Department in its Philadelphia office.

Ted Oyphanith concentrates his practice on electrical, mechanical, and financial business process patents, specializing in 5G networks and software. Prior to practicing law, Ted was a fin-tech professional for over 15 years. Serving as a program manager, project manager, and software developer, Ted has engaged in the development and implementation of financial systems for Fortune 500 companies and large government entities on a global scale.

"We are thrilled to welcome someone with Ted's experience and talent as we continue to strengthen our tech practice," said Dilworth Partner Thomas Biemer. "Ted's diverse professional experience spans a portfolio of industries, which positions our firm to continue to provide an array of dynamic solutions to clients' intellectual property needs."

Ted received his B.A. from the Rochester Institute of Technology and J.D. from the Rutgers University School of Law.
